Next Meeting: October 8, 2020

## Waterwood Annual Hayride & Movie Night

It's that time of year again and times are certainly different, so we are changing things up a bit. We will not be riding the hay wagons door-to-door trick-or-treating as we have done in the past. Instead, we will have a "Trunk-or-Treat" with some different activities, including costume contests. Those of you who

may not know, "Trunk-or-Treat" is when you bring the candy to the kiddos. Drive your car, truck, or golf cart (decorated if you want) to hand out your candy here at the Palmer Real Estate office parking lot.

At dark, after the hayride, "Hocus Pocus", or another fun Halloween movie, will be on the big screen. This will be old-fashioned drive-in-theater style so bring your lawn chairs, ice chests, snacks, and drinks.

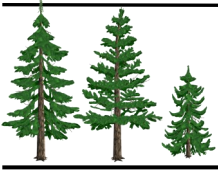

Please know, there will still be rides around the neighborhood, with or without hay, in the wagon(s). If we are unable to find hay, we will be asking your help in providing moving blankets (or something similar) to pile up on the trailers. Last year, we had three trailers FULL of Trick-or-Treaters, so this will be a new experience for us. We'll keep you updated via Facebook and postings at the Palmer Real Estate office!

Hope you can make it!

October 31, 2020 the fun starts at 5pm in the Palmer and WIA parking lots!

## New Decorations

You may have noticed the Mega Tree currently installed next to the WIA office. We are testing and programming sequences for upcoming holidays. We will soon have a fun Halloween show for all to enjoy during the festivities planned for October 31st.

SPECIAL THANKS TO **PAT AND LEONARD ZAPPA** for hours and hours of work crafting the tree, **MONICA HILL** for donating a trampoline that the Zappas transformed into the tree base. **JOHN CHARLTON** for many hours researching, programming and teaching the Xlights program to others, and **LYNN SPENCER** for this fun new idea!!! The current plan is to have a Mega Tree on each side of Waterwood for the Christmas season and possibly a few other new decorations.

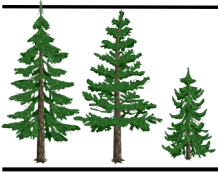

**We would love to build a team of sequencers!!!**

**The program is from XLIGHTS and is free to download.**

**If you're interested, please email [wiiboardsocialmedia@gmail.com](mailto:wiboardsocialmedia@gmail.com)**

## Waterwood Women's League

Hello ladies!

The first meeting of Waterwood Women's League was a lovely salad/dessert luncheon provided by the Executive Board and Committee on Sep. 9, 2020 in the WIA Conference Room. Our primary focus was the upcoming Garage Sale to be held October 17th at the WIA Pavilion from 8:00 am-12:00 pm. Booths are still available for \$20 and we still need volunteers to bring goodies for the bake sale and take a time slot to work our craft booth/concession stand/bake sale booth. Please contact Debbie Maas. Individuals are responsible for their own set-up, sales, change, and removal of unsold items after the sale. I have seen many of the bird feeders/wreaths/homemade vanilla that WWL ladies have been making and they are absolutely beautiful! You won't want to miss these!

Unfortunately, we have agreed to discontinue quilting/crochet groups until the mask mandate is over. We're hoping that will end soon! Please continue to work from home as the need for these items is great! We are also still in need of someone to head up our knit/crochet group.

Our normal October meeting has been cancelled in lieu of the Garage Sale. Our November 11 meeting will be a cooking demonstration at Carolina Creek Christian Camp followed by lunch for \$9. Chicken Piccata, bacon-wrapped asparagus and lava cake with raspberry sauce are on the menu! Additional details are forthcoming and an e-mail will be sent out to sign up.

Continue to stay safe and join us for the Garage Sale and for our regularly scheduled meeting in Nov. at Carolina Creek! Remember to check out our WWL Facebook page for updated information and events. If you are new to Waterwood, please join us! We do a lot of great things and have a lot of fun too! We would love to have you!

Our donation for this month is "Sweats For Vets." Please take all sizes of new sweats for men/women to Shirley Morrell or bring them to the donation box which will be in place from Oct 14-28 in the Waterwood Post Office. These will be combined with "Socks For Soldiers" and delivered to the Veterans office in Coldspring prior to Veteran's Day. Please donate generously!

WWL is a non-profit 501(c)3 organization. Our main goal is to provide educational scholarships for local students.
