**2025 Amended Protective Covenants For
Country Club Estates I**

WHEREAS, on December 13th, 2025, the Association, pursuant to the Chapter 211 amendment procedure, adopted certain amendments to the Protective Covenants of Country Club Estates I pursuant to the election results.

NOW THEREFORE, the Waterwood Improvement Association, Inc., by and through its duly elected and qualified officers and Board of Directors, and after approval of the 2025 Amendments to the Protective Covenants of Country Club Estates I by a majority vote of the Members of the Association which a quorum was present, and by this instrument signed and filed for record, pursuant to the amendment procedure adopted by the Chapter 211 election, hereby amend the Protective Covenants identified and set forth herein, with the rest of the Protective Covenants, as previously amended, remaining unchanged, which 2025 Amended Protective Covenants shall read as follows:

Protective Covenants 2 through 7

Current Covenants (as amended)

2. All plans and specifications for any structure or improvement whatsoever to be erected on or moved upon or to any portion of any lot, and the proposed location thereof, the construction material, the roofs and exterior color schemes, and any later changes or additions thereto shall be subject to and shall require the approval in writing of the Architectural Control Board, hereinafter called "Board", as the same from time to time is composed, before any such work is commenced. The Board shall be composed of three (3) members to be appointed by Horizon Development Corporation, Board members shall be subject to removal by Horizon Development Corporation and any vacancies from time to time existing shall be filled by appointment of Horizon Development Corporation; provided, however, that any time hereafter Horizon Development Corporation may, at its sole option, relinquish to Waterwood Improvement Association, Inc., the power of appointment and removal herein reserved to Horizon Development Corporation. Such transfer of powers shall be evidenced in writing.

3. There shall be submitted to the Board of forms approved by the Board an application for a permit to build, together with two complete sets of plans and specifications for any and all proposed improvements and alterations which are desired and no improvement of any kind shall be erected, placed or maintained upon any lot until the final plans, elevations and specifications therefor have received such written approval as herein provided. Such plans shall include plot plans showing the location on the lot of the building wall,

fence, landscaped areas (including any proposed rearrangement of native vegetation), or other improvement proposed to be constructed, altered, placed or maintained, together with the schemes for roofs and exteriors thereof. Such applications shall be accompanied by a reasonable filing fee to be determined and set by the Board, said fee to defray the Board's expenses.

Roofing Material may consist of solar panels as per Texas Property Code Section 202.010: HOAs and POAs cannot prohibit or restrict a property owner from installing a solar energy device as defined by Texas Tax Code Section 171.107.

Wrought iron fencing up to 48" on the lot side which is contiguous to the golf course will be allowed.

Wrought iron fencing up to 48" on the lot side which is contiguous to the lake will be allowed.

4. The Board shall approve or disapprove plans, specifications and details within forty-five (45) days after receipt thereof. One set of such plans and specifications and details with the approval or disapproval endorsed thereon shall be returned to the person submitting them and the other copy thereof shall be retained by the Board for its permanent files. The Board shall advise the applicant of the reason for the disapproval and suggest acceptable changes. In the event the Board fails to approve or disapprove any plans which have been submitted to it within forty-five (45) days from receipt thereof, approval shall not be required and the related covenants shall be deemed to have been fully complied with.
5. The Board shall have the right to disapprove any plans, specifications or details submitted to it in the event the same are not in accordance with all of the provisions of these restrictions, if the design or color scheme of the proposed improvements is not in harmony with the general surroundings of the real property or with existing adjacent improvements and natural environment, if the plans and specifications submitted are incomplete or in the event the Board deems the plans, specifications or details or any part thereof to be contrary to the interest, welfare or rights of owners of the lots covered hereby. The decisions of the Board shall be final.
6. No approval of the plans or permit to build shall be issued by the Board until the person applying for the same shall file proof with the Board of the payment of the applicable Capital Improvement Charge Specified in the General Warranty Deed and Declaration of Covenants filed of record in the Deed Records of the county wherein the herein described property is located by the Waterwood Improvement Association, Inc., covering the lots described in Schedule A hereof.

- 7. Neither the Board, Horizon Development Corporation nor any architect or agent thereof shall be responsible in any way for any defects of any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

2025 Amendments to Protective Covenants 2 through 7

(the balance of Protective Covenants 2 through 7 being unchanged and remaining in full force and effect):

- 2. All plans and specifications for any structure or improvement whatsoever to be erected on or moved upon or to any portion of any Lot, and the proposed location thereof, the construction material, the roofs and exterior color schemes, and any later changes or additions thereto shall be subject to and shall require the approval in writing of the Architectural Review Committee, hereinafter called "ARC", as the same from time to time is composed, before any such work is commenced. The application and approval process must comply with Article VI of the 2025 Amendment to 2018 Restated and Amended General Warranty Deed for Waterwood recorded in the Real Property Records of San Jacinto County under Clerk's File No. 20257363, which is incorporated herein by reference and controls over this declaration and any amendment thereto.

Protective Covenants 3 through 7 are hereby OMITTED

Protective Covenants 8, 27

Current Covenants (as amended)

- 8. The native growth on any lot shall not be destroyed or removed from any lot, except such native growth as may be necessary for the construction and maintenance of roads, driveways, residences, garages, accessory buildings and/or walled-in service yards and patios, which native growth shall not be removed prior to commencement of construction and unless written permission is first obtained from the Board. In the event such growth is removed, except as stated above, the Board may require the replanting or replacement of same, the cost thereof to be borne by the lot owner. Anything to the contrary notwithstanding the property owners may remove with prior written permission of the Board native growth which is dead, unhealthy, detrimental to the remaining growth or otherwise undesirable for the maintenance of healthy and attractive natural vegetation. However, nothing

shall be done which will change the general character of those areas where native growth is required to be maintained. Provided, that as to any lot with a boundary on the shoreline of the lake, no alteration of the shoreline configuration or of the natural topography of the land defined by the flowage easement line and the shoreline shall be permitted without prior written approval of the Board. Further, bulkheadings shall be provided by the property owner if necessary for erosion control and the materials and design of any bulkheading shall have the prior written approval of the Board. Provided further, that as to any lot with a boundary contiguous to any golf course, no trees may be pruned higher than eight (8) feet for the sole purpose of securing view to the golf course and no tree removal for the purpose of securing view of the golf course shall be permitted within that portion of the lot which is defined by the extension of the side yard setback line into the rear yard setback. Within the remainder of the rear yard fifty (50%) percent of the trees may be removed at the discretion of the owner to permit view of the golf course.

27. All site improvements and structures shall be built, erected, altered or maintained in such a manner as to preserve as nearly as possible the land in its natural state.

Native growth on an unimproved lot may be prudently removed without prior approval from the Architectural Control Board.

Native growth on an improved lot may be removed without prior approval from the Architectural Control Board.

Live trees greater than 4" in diameter may be removed.

New construction: Remove native growth and live tree restriction.

2025 Amendments to Protective Covenants 8 and 27

(the balance of Protective Covenants 8 and 27 being unchanged and remaining in full force and effect):

8. The native growth on any lot shall not be destroyed or removed from any lot, except such native growth as may be necessary for the construction and maintenance of roads, driveways, residences, garages, accessory buildings and/or walled-in service yards and patios, which native growth shall not be removed prior to commencement of construction and unless written permission is first obtained from the ARC. In the event such growth is removed, except as stated above, the ARC may require the replanting or replacement of same, the cost thereof to be borne by the lot owner. Anything

to the contrary notwithstanding the property owners may remove with prior written permission of the ARC native growth which is dead, unhealthy, detrimental to the remaining growth or otherwise undesirable for the maintenance of healthy and attractive natural vegetation. However, nothing shall be done which will change the general character of those areas where native growth is required to be maintained. Provided, that as to any lot with a boundary on the shoreline of the lake, no alteration of the shoreline configuration or of the natural topography of the land defined by the flowage easement line and the shoreline shall be permitted without prior written approval of the ARC.
