Waterwood Neighborhood News

August 2026

www.waterwoodwia.org

Welcome to Waterwood and the August 2026 edition of the monthly Waterwood Neighborhood News (WNN). August brings some of the hottest days of the Texas summer, but it also reminds us that the second half of 2026 is already here. Before long, school will be back in session, buses will be on the roads, and we'll begin looking forward to cooler weather, football, and fall activities.

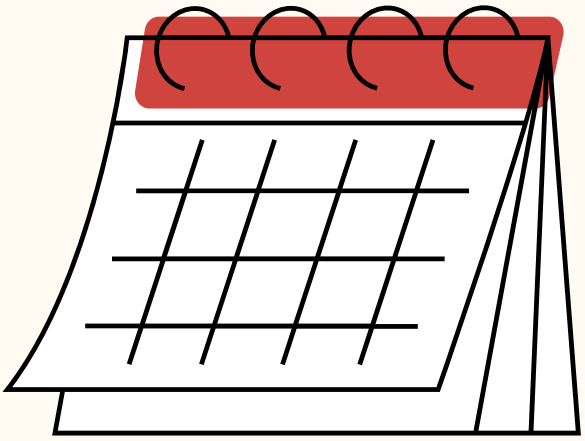

Until then, stay cool, stay hydrated, and enjoy all that Waterwood has to offer—from Lake Livingston and Waterwood National Golf Course to the beauty of our community and the friendships that make it feel like home. Get involved, meet your neighbors, and have a wonderful end to your summer! We're glad you're here!

Waterwood Fire & Rescue

Training, Training, Training

Your firefighters have been busy with training.
This month they completed nine skill sets for ladders.

In addition, three firefighters completed a weekend course for Water Rescue and will be working with Station 980N when needed.
Thank you to Brian James, Ed Kile, and Erik Peterson for the **extra** training.

Save the Dates

October 24 Spaghetti Dinner cooked by Frank Mandola
October 31 Trunk or Treat in the Parking lot
November 14 Fire Fair

Further information will be provided next month

THANK YOU

To all who have made donations this past month.

Fire Safety Note for August

The First Rule for Fire Safety is

GET OUT, STAY OUT, CALL FOR HELP

Dial 911 and tell them you are in San Jacinto County

Be prepared to provide

Your Name and address…. Plus the nature and address of your call

Donations can be sent to:
Waterwood Fire & Rescue
192 Waterwood, Huntsville, TX, 77320
or
wwfireandrescue@outlook.com
Waterwood
Fire & Rescue
Needs Commuity
Support
Why does the Volunteer
Fire Department need donations?
The answer is simple:
The fire department receives only minimal funding — often not enough to fully cover equipment, protective gear, fuel, training, truck maintenance, and volunteer support.
Our volunteers respond day and night using equipment that this community has helped provide. Without continued local support, we cannot maintain our trucks, replace worn-out gear, or ensure our firefighters have the tools and protection they need to serve safely.
Since the MUD discontinued collecting the $3 monthly donation, we are asking neighbors to consider replacing it with an annual donation of $36 — the same amount as the previous program. If you are able and willing, donations of any amount are greatly appreciated.
Every dollar stays right here in Waterwood and directly supports the volunteers who protect our homes and families.
Thank you for your support!!

Waterwood National Golf & Recreation Assn.

We would like to announce the fall tournament date of September 26, 2026. Al Rincon has graciously agreed once again to be our tournament Chair. We look forward to community involvement and fun festivities. The tournament will be like years past. There will be a 50/50, you can purchase mulligans, there will be food and we will have bid items. Put it in your calendar.

We have had some issues lately with traffic on the course that does not belong. The only vehicles on the course should be golf carts or vehicles being used to complete maintenance tasks. Secondly, DO NOT DRIVE ON THE GREENS. We appreciate your cooperation in the matter.

Maintenance on the course is progressing. We have removed many trees this year, but we still have more to go. We are cutting down the dead trees along the cart paths. If you notice a dead tree in the area where you are on the course, please use caution and immediately move away from that area.

We have been repairing leaks as they occur in the irrigation system. This has not been as prevalent this year as it was in the years past. We have replaced the jockey pump for the irrigation system in order to lessen the impact when water begins. We have had many volunteers helping with all aspects of maintaining the property. We appreciate each and every one of you. You may have noted that the hogs have returned this year. We do attempt to repair the areas they affect, but use caution when driving in the fairways and roughs. There are many holes you cannot see.

Gene Womack, President, WNGRA

Waterwood Municipal Utility District #1

A process that started over two years ago, we received permission from the state to sell the bond that will renovate the lift stations. The lift stations are around fifth years old and became our largest expense. The bond was crafted in partnership with our engineer, financial accountant, auditor, and RBC who will be selling the bond. It will not require a tax increase as we are in good shape financially for our debt services. After the bond is sold, we will finalize the work to be performed, the engineer will submit the project for bids, and the board will decide who will be awarded the contract. If all goes orderly, construction on the renovations could begin in the fall.

We have had some interesting repair work done on the water lines and sewage lines over the past month, some requiring road repair. As of this time those repairs have been completed.

TCEQ is inspecting our water storage facility on July 29th. This will not result in any disruptions in water service and as soon as we have their report, we will make it available to the public.

We do have some projects planned for the new year. None of these will result in disruption to the services and will improve the district.

One last item. Late August through mid-September is the prime time for hurricanes. We will monitor the weather and already have planned for such an event. Make sure you are ready as well. Small things will make a difference if such an event occurs. Make sure you have non-perishable food, your vehicles are full of fuel, clean gutters of debris, batteries for flashlights, and if necessary secure small outside items such as furniture and potted plants so the wind will not make them a projectile. We might lose electrical power. We have generators for the water and wastewater plants, but if the wind uproots trees, it could affect our lines.

Donnie Marshall, MUD Board President

Thank You for a Wonderful Fourth of July Celebration!
A heartfelt thank you to everyone who joined us for Waterwood's Fourth of July celebrations! With festivities at both the Pavilion and the Marina, it was a day filled with community spirit, great food, music, and fun for all ages.
A special thank you to the ladies who beautifully decorated the Pavilion, our own DJ Greg Riley for keeping the music going all day, Kona Snow Cones for helping everyone beat the Texas heat, and Waterwood Fire & Rescue for serving up a delicious meal. We also want to recognize everyone who participated in the annual Golf Cart Parade. Congratulations to this year's winners:

Fourth of July 2026

The celebration continued at the Marina with another fantastic evening of family fun. Thank you to Derek Gill, Greg Riley, WNGRA, Early BBQ, and Kona Snow Cones for making the event such a success. A special round of applause goes to Derek Gill for putting on an incredible fireworks display that ended the evening with a bang! Greg Riley once again kept everyone entertained with great music, a dance floor, and bubbles that delighted the kids. Thank you to WNGRA for serving hamburgers and hot dogs, Early BBQ for the outstanding barbecue and all the fixings, and Kona Snow Cones for providing the perfect cool treat on a hot summer day.

Events like these are possible because of the many volunteers, sponsors, and neighbors who give their time and support. Thank you for helping make Waterwood such a wonderful community. We look forward to celebrating with you again next year!
